Subject: Higher Education M.Tech Program - Agreement

Dear Vijayalaxmi,

We are pleased to extend our heartfelt congratulations to you on being nominated to pursue higher education in the field of M.Tech. This is a significant achievement, and it is admirable that you have taken the step towards advancing your academic qualifications.

Your selection reflects your dedication, hard work, and commitment to furthering your professional growth. We are confident that the knowledge and skills you will gain throughout this course will serve as a solid foundation for your future endeavors.

As you embark on this exciting journey, we encourage you to stay focused and committed to your studies. The path ahead may present challenges, but with perseverance and determination, we are certain you will successfully navigate them and emerge as a qualified and accomplished professional in the field.

You agree and acknowledge that this educational course is an additional expense for Airbus and is being invested in you for your skill enhancement. Therefore it is critical that you understand and agree to the following critical conditions :

1. This Higher Education M.Tech Program is for your development and for your organizational growth and therefore you must attend all the classes as per course/ curriculum rules provided by the University.
2. Tenure of course is **2 years from date of commencement.**
3. Employees would be required to be associated with Airbus for **2 years** post course completion:
 - a - Should you happen to leave Airbus anytime within 2 years after your course completion, the tuition fees reimbursed by Airbus has to be paid back in full to the organization during F&F settlement
 - b- Should you happen to leave the course midway, Airbus will not be providing a NOC to continue with the course from any other organization and the reimbursed tuition fee will have to be paid back to the organization as mentioned in point a.
4. **Tuition Fee (including one time application and admission fees) of Rs. 2.85 lacs** will have to be paid by the employee upfront to BITS and **then claimed as reimbursement on SAP Concur.**
5. The M.Tech program will be administered through a weekend classroom session at Airbus office - Xylem building and **75% attendance** is expected to be maintained throughout the course
